After settling in Bremen, Walter built their house at 606 Highland Boulevard, where Betty lived for 61 years until her recent move to Tennessee.

Over the past three decades she had a special friendship with her brother-in-law, Jake VanMeter, helping and supporting each other after each lost their spouse at about the same time.

Betty was a pleasant, caring, positive, helpful, fun-loving woman, whose Christianity shone through in all areas. She was especially proud of her family and their accomplishments. After spending her first fifty years near home, she developed an interest in travel and enjoyed seeing the country by visiting and taking vacations with family members.

Betty was a long-time member of the Church of Christ, being active in many good works. In accord with family wishes, there will be a private service at Grandview Cemetery in Bremen, with burial to follow. Online condolences at <http://www.morganfuneralhomeohio.com>
