“ A little something I wrote for Jamie. We'll miss him...

You came into our lives,
With a smile and a song;
Ever cheerful and friendly,
Your face never long.

With an arm, or a shoulder,
You leant us your ear;
To ease any sorrow,
Or quell any fear.

Such a warm hearted soul,
Father, son and a brother;
Truly one-of-a-kind,
Just like you, there's no other.

Your kinship we cherished,
We're so richly blessed;
But God's called you home now,
With Him you can rest.

Your journey's beginning,
This isn't the end;
And down here on earth,
We'll Miss You, my friend.

“ My deepest sympathy to Jamie's family. Jamie delivered to our Walmart store the past few years and i got to know him very well. As we worked he always talked a lot about his family and his girlfriend. He was always happy and a very hard worker. Debby and i are going to miss him very much. Rest in Peace my friend.

“ My prayers are with Jamie's family as they go through this period. He was so kind to me when we were in high school. I did not know he served in the military. Thank you Jamie for touching so many lives.

“ Oh Jamie....you will be missed by sooo many people. I will always remember you picking on me, Danielle, Kim and Kelley while we grew up yet, you were always there to defend us when someone else was giving us a hard time, whether it was at the pool or just around Bremen. You were our big brother! When I saw you in our adult life you were always smiling and made a point to ask how I was doing. Thanks for all of the laughs. Your Mom now has 2 special guardian angels, as you and your Dad look down and take care of her. Janet you are in our thoughts and prayers. Chip, Renee' (Winland), Rylee and Marlee Huffer
