“ Just remembering the day Joshua and Jessica left the house w/o telling anyone, to go shopping for candy. Living on Morse Rd. in Columbus, you better tell someone where you're going. The lil girl that they wouldn't take w them, ratted them out. When Mike finally found them, i convinced him to punish them w a spanking (he had never spanked his children) but this was a serious situation. After giving each child just 1 spank each, he felt so terrible, that he vowed never to lay his hands on them again. AND HE NEVER DID. He is the greatest example of a wonderful father. His children had such respect and love for their Dad, they would behave just by the slightest disapproving glance from him. Mike will be fondly remembered and his legacy lives on in his children and grand children. My his smile and chuckle always be in our hearts. Prayers and love to Jean, Josh, Jess and the Shreve family. Darlene

“ Mike~Since I'm a big Buckeye fan, we always had our rivalry fun at work...I remember when you used to get on my computer in my office at DC2 and change my screen saver to scroll "Go Blue" across it, complete with Michigan colors! I would come in in the morning, see it, and plan my retaliation. You were such a brat! You were also a good friend a great guy. I love ya, and I'll miss you, and this is just for you, Mike:

GO BLUE!!!

To Mike's family: You are in my prayers. May God be with you all in this time of sadness.

“ My most sincere condolences to your family. I worked with Mike for three years at Limited Brands and I have to say he was definitely a man that I respected and looked up to. I am very proud to say that he was more than just a co-worker. He was my friend who I enjoyed venting to and listening to the stories of his latest hunting expedition as he shared his deer bologne with me. Mike was excellent at his job and when he was on duty we had no worries. I just can't say enough about him and how much he will be truly missed. Thank you, Mike! It was an honor to know you...
